

Making Medications More Affordable with the Prescription Discount Card from

Inside Rx

No one should have to worry about how to pay for their medications. If you are currently paying full price for certain prescription medications outside of your pharmacy plan, you may be able to access discounts by using the Inside Rx® prescription savings card.

Inside Rx is a prescription savings program made available to you as a Univera Healthcare member. The Inside Rx prescription discount card offers savings on thousands of brand-name and generic medications at more than 60,000 participating pharmacies.

Lower Prescription Costs with No Obligation

There are no fees, enrollment, or obligations required to receive these valuable discounts on qualified prescriptions. The prescription discount card is simple to download and free to use. Eligible members can simply present their Inside Rx card with a valid prescription at a participating pharmacy to save.

If you are currently a Univera Healthcare pharmacy member and have a plan through your employer, you and your dependents would be eligible to take advantage of these beneficial savings on prescription medications outside of your plan.

By visiting [InsideRx.com/UN](https://www.insiderx.com/UN), you can:

- Download your free prescription discount card right to your phone
- Find the lowest price available for medications outside of your pharmacy benefit
- Search for nearby participating pharmacies that are most convenient for you

Show the card to the right to the pharmacist on your next trip to a participating pharmacy, or visit [InsideRx.com/UN](https://www.insiderx.com/UN) to download your free card today.

If you have any questions, please call the number listed on the back of your Univera Healthcare member ID card.
