

DAEMEN COLLEGE 2018-2019 CAMPUS CLIMATE RESULTS

SURVEY RESULT HIGHLIGHTS

- 2018-2019 survey was distributed later as compared to years prior but yielded a similar response rate
 - Change in survey tool (Campus Clarity to Survey Monkey) will result in a \$2,500 cost savings per year
- Six students responded that they had experienced sexual harassment as a student at Daemen College
 - Of those students, 58% sought support from a Campus Official
 - ✓ 75% agreed that the College Official was knowledgeable
 - ✓ 75% agreed that the College Official was compassionate
 - ✓ 50% agreed that the College Official helped them find additional resources and support
 - ✓ 50% agreed that reporting the experience to the College Official made them feel better
- Three students responded that they had experienced sexual assault as a student at Daemen College
 - 50% disclosed to a friend, 25% disclosed to an off campus hotline/advocacy service and 25% did not disclose the incident
- Over 50% of self reported experiences of sexual harassment and sexual assault occurred off campus

SURVEY RESULT HIGHLIGHTS

- Approximately 58% of respondents disagreed that sexual harassment, sexual assault and dating violence are a problem at Daemen College
- 32 students reported participating in bystander intervention training provided by Crisis Services, as a requirement of their student leader role (response rate was higher than previous campus climate surveys that could not report)
 - 97% of respondents expressed an understanding of affirmative consent
 - 100% of respondents expressed a level of agreement with being likely to ask for verbal consent before engaging in sexual activity
 - 93% of respondents reported knowing how to intervene and 72% of respondents reported feeling comfortable intervening
 - 86% of respondents reported that they would confront a friend who appeared to be hooking up with someone intoxicated
 - 62% of respondents would report a friend who committed rape/sexual assault/dating violence
 - 68% of respondents listed the three Ds of bystander intervention (n = 19)

SURVEY RESULT HIGHLIGHTS

- 64% of respondents agreed that The CHIP Center is a place on campus they feel comfortable going to
- 72% agreed that health & wellness programs for students are promoted on campus
- Students expressed greatest interest in future programming on mental health, nutrition and physical activity
- 71% of respondents were aware of the Wildcat Wellness Committee on campus
 - Student respondents reported that the following marketing tactics informed them of the Wildcat Wellness Committee: #RESPONSIBLEWILDCAT flyers, Wildcat Wellness TGIF and posts on DaemenLife Instagram
- 43% of respondents were aware of the Reach Out Campaign on campus
 - Student respondents reported that the following marketing tactics informed them of the Reach Out Campaign: Campus Sexual Assault Bill of Rights Poster, Reach Out Reporting & Resources Poster and the Reach Out App

FOCUS AREAS 2019-2020

- Reach Out App
 - Increase promotion of the Reach Out app (print, media, etc.)
 - Increase number of student and employee downloads
 - Promote the Reach Out App during orientation and Welcome Back Weekend to incoming students
 - Increase awareness of Responsible Employees (ROE) version of the app for employee utilization

- Bystander Intervention Training
 - Collaborate with Crisis Services to create customized, engaging and informative training modules
 - Greater emphasis on the efficiency and effectiveness of student leader training
 - Collect and track pre- and post-test data from training sessions from Crisis Services
 - Increase level of confidence among student leaders to intervene as a bystander

- Wellness Initiatives
 - Increase awareness and student engagement in the Wildcat Wellness Committee
 - Increase awareness and utilization of services offered by The CHIP Center
 - Increase number of wellness events offered each semester
 - Increase the diversity of wellness events offered each semester
 - Increase emphasis on healthy relationships – wellness programs, RA programming, etc.
