ABOUT THE ANNUAL SECURITY REPORT
The Daemen College Division of Student Affairs, under the direction of the Clery Coordinator, Daemen College’s Vice President for Student Affairs, is responsible for preparing and distributing this report. We work with many other departments and agencies to compile the information. We encourage members of the campus community to use this report as a guide for safe practices on and off campus. It is available on-line at http://www.daemen.edu/offices/securityoffice. Each member of the Daemen community receives an email annually that describes the report and provides its Web address.

ABOUT CAMPUS SECURITY AT DAEMEN COLLEGE’S LAKEWOOD, NJ CAMPUS
Located at Bnos Bais Yaakov, 155 Oberlin Avenue N., Lakewood Township, NJ 08701, Daemen College, in partnership with Testing & Training International (TTI), offers classes on Sundays for the purpose of providing members of the Chasidic Jewish community with a M.S. Alternative Teacher Certification (Trans-B) in Early Childhood/Early Childhood Special Education (Birth to Grade 2) and Childhood/Childhood Special Education (Grades 1-6). Bnos Bais Yaakov, a High School for Jewish girls, is rented by TTI and only used by Daemen College/TTI on Sundays, when classes are offered to the teacher candidates, and on some Tuesdays. On Sunday, when classes are offered to the graduate teacher candidates, security is offered to Daemen College/TTI faculty, staff and students in order to ensure the safety of all individuals who are in the building. TTI contracts with an individual who has served as the Tuesday night guard when the student teaching seminars and writing courses are held. He also services TTI’s undergraduate department and is therefore experienced in the field.

GENERAL CONDUCT POLICIES
Daemen College expects its students to obey all applicable federal, state, and local laws, to behave in moral, ethical, professional, civil, and courteous ways, and to observe the specific policies, procedures, regulations, rules, and standards that are promulgated by Daemen College for conducting its own affairs.

THE COLLEGE RESERVES THE RIGHT TO DISMISS OR REQUEST THE WITHDRAWAL OF ANY STUDENT WHOSE ACADEMIC STANDING, ACADEMIC OR SOCIAL CONDUCT, OR MANNER RENDERS HIS/HER CONTINUED ATTENDANCE AT DAEMEN COLLEGE UNDESIRABLE (see the College Catalog).

CRIME REPORTING PROCEDURES/POLICY
Daemen College strives to maintain a safe campus and relies on all members of the campus community to do their part to keep our campus safe. Any member of the campus community – faculty, student, staff, trustee – who observes criminal activity on the Daemen main campus or at any off-campus instructional site is expected to report such conduct promptly to the police and to campus or building security. Criminal activity includes, but is not necessarily limited to: physical assault, including sexual assault and abuse, burglary, robbery, arson, unauthorized display or use of a dangerous weapon, and the illegal distribution or manufacture of controlled substances.

If you observe a crime, phone 911 immediately and follow the instructions of the police. Contact immediately thereafter the security guard, at 848–210–3157. Any crime directly involving a member of the off-site campus community, whether as victim or alleged perpetrator, should also be brought to the prompt attention of the Office of the President.

In addition, there are occasions when minors (persons under 18 years of age) may be on the off-site campus or involved in College events. Any person who observes the sexual abuse of a minor or has a reasonable suspicion of such abuse, should immediately notify security and the local police authorities (call 911). A call may also be made to the NJ Child Abuse Hotline at 877–NJABUSE (652–2873). Any such conduct involving a Daemen student or employee should also be brought to the attention of the Office of the President.

The prompt reporting of criminal activity is essential to securing a safe campus environment for all persons, including guests and members of the public. No one is exempt from the expectation of law-abiding behavior. There shall be no form of retaliation within the Daemen College community against any person making a good faith report of suspected criminal activity.

Individuals to whom students and employees should report criminal offenses described in the law for the purpose of making timely warning reports and annual statistical disclosures are:

Additional Information:
Students, applicants, and employees are encouraged to promptly report any conduct that they believe violates this Crime Reporting Policy. If the College does not know about the conduct, it cannot act. Crime reports may be made discreetly to the Program Directors at:

Director of Alternative Certification Programs 716–839–8352
Alternatively, you may initially discuss the matter with any other employee of the College, or involve any other person to help you in bringing your report forward, so long as it is promptly brought to the attention of the Program Director.

Upon written request, the Program Director will provide to a victim of a crime of violence, or a victim’s next-of-kin, the results of the disciplinary proceeding conducted by Daemen College. Daemen evaluates incidents on a case-by-case basis using the guidelines in the student handbook and/or employee manual as applicable.

Timely Warning for Reported Crimes
In an effort to provide timely notice to the Daemen College community, and in the event of a serious incident which may pose an ongoing threat to members of the Daemen College community, a Safety and Security Alert is sent to all students and employees on campus. The alerts are generally written and distributed to the Daemen College community by the Program Director by. Other forms may include information posters in key campus locations. The Program Director, or designee, in consultation with appropriate campus personnel, reviews all reports to determine if there is an ongoing threat to the community and if the distribution of a Safety and Security Alert is warranted. *For additional policies and procedures see Crisis Management Procedures on page 12 of this document.

SECURITY OF AND ACCESS TO CAMPUS FACILITIES
The Daemen College off-site instructional facility at Bnos Bais Yaakov High School, 155 Oberlin Avenue N., Lakewood Township, NJ 08701, is generally not open to the public on Sundays or on some Tuesday evenings. However, access is available to our teacher candidates, staff, and faculty during the hours from 8:00 am to 5:00 pm on every Sunday classes are in session as well as on select evenings when student teaching seminars or orientation is being held.

Daemen College does not offer any residence halls at the Lakewood, NJ Campus.

CRIME PREVENTION AND SECURITY AWARENESS PROGRAMS

Education
An annual Campus Security Authority (CSA) training is coordinated by Daemen College Security. Students and employees are provided procedures and practices regarding safety through applicable handbooks (faculty, staff, administration, and student) as well as the Annual Security Report.

Crime Prevention Measures
Most on-campus crime can be prevented if rules are followed and common-sense safety tips are observed. The College’s Mission commits the institution to the elimination of crime and the attendant suffering of the victims of crime. This can be accomplished by teaching students and the community how to reduce the risks of crimes against themselves and others. When necessary, the College will provide timely announcements of on-campus criminal activity that has been reported to Security or the police. Students and employees are provided procedures and practices regarding safety at new student orientation, resident assistant training, resident floor meetings, as well as through applicable handbooks (faculty, staff, administration, and student).

The college is extremely serious about, and committed to, maintaining a safe and secure working and studying environment. Members of the College community can assist in this effort by adhering to the following safety tips and other common-sense rules:
- Travel with a companion whenever possible.
- Follow parking regulations. Park in lighted areas of the parking lots if you will be leaving class after dark.
- Keep your gas tank full.
- Always lock your car -- both when you are in it and when you are out of it.
- Have your keys ready when you go to unlock your car. Be sure no one is inside your car as you enter.
- Never hitchhike nor pick up hitchhikers.
- Drive to a police station, fire station, or other very public place if you think a person is following you.
- When on an elevator, stay near the controls. Push every button at the first sense of an attack.
- Stay near the street when walking -- stay away from bushes, shrubs, and buildings. Walk confidently -- look like you know where you are going. A good defense is to look and act confident.
- Do not ride with someone you do not know.
- When riding public transportation, sit near the front if possible; be familiar with the schedule to avoid long waits.
- Choose an occupied subway car if possible.
- Tell your friends where you are going and when you expect to return.
- Report all suspicious persons seen to the security on site at 917-549-4812/917-804-8753 (Cope Education & Bais Yaakov of 18th Avenue Campuses) or 718-438-0155, Ext 115 (Montauk Campus).
- Carry a noise maker (whistle or other device) if you need to be out after dark.

Generally, the close adherence to the safety rules and Code of Conduct, found in the Student Handbook, will reduce the risk and help prevent crime on campus. Reduce the risk of "date rape" by keeping in mind that many cases involve the use of alcohol and or drugs by either the victim or the perpetrator or both.

Daemen College
SEXUAL ASSAULT/HARASSMENT
After responsibility has been assigned through investigation, all perpetrators of sexual assault will be aggressively sanctioned. The College will work in close cooperation with local law enforcement agencies to address this serious criminal activity. When reported, Daemen College will thoroughly investigate this violation of individuals’ rights and safety. The institution will change a victim’s academic and living situations after an alleged sex offense if these changes are requested by the victim and are reasonably available. In addition, the College may terminate the enrollment and/or employment of any perpetrator of sexual assault, including summarily suspending the violator to protect the College community. The institution will, upon written request, disclose to the alleged victim of a crime of violence or a non-forcible sex offense the report on the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

Students are provided with educational programming to promote the awareness of rape, acquaintance rape and other forcible and non-forcible sex through applicable handbooks (faculty, staff, administration, and student) and the Annual Security & Fire Safety Report.

Specific Procedural Steps to Take if Sexually Assaulted:

YOU SHOULD IMMEDIATELY:
1. Get to a safe, secure place.
2. Report the crime incident to security at 848-210-3157 and to Lakewood Township NJ police at 911. Do not be reluctant or embarrassed to call the police - you are a victim of a crime.
3. Call a friend and/or the Mental Health Association of NJ, Lakewood Township, at 1-800-367-8850 or call another support agency or office.
4. Go to the Emergency Room for an examination, immediate medical attention, and for the collection of physical evidence. Do not shower or change clothes if at all possible prior to examination. Do take a change of clothes to the medical examination location.

Reluctance or unwillingness to make a complete report to the campus security and the police will make it difficult for either the police or the College to take appropriate action or safety measures; this includes reporting the dangers to the College community. Institutional personnel will assist in notifying appropriate law enforcement agencies if the student requests assistance.

Daemen Sanctions
The Program Director, and/or the designated representative, in consultation with and the approval of the Vice President for Student Affairs has the authority to impose the following discipline. Where appropriate, recommendations for suitable disciplinary action should be sought from chairpersons or other administrators.

- Written reprimand
- Financial penalties - to be charged against the student’s account
- Removal from the residence halls (if residential student)
- Disciplinary Probation - with conditions and expectations
- Temporary Suspension - usually immediate but temporary
- Disciplinary Suspension - usually for a specified time period
- Disciplinary Dismissal - irrevocable separation from the College
- Restrictions on the use of any College facility or participation in any College event or activity

The Program Director may summarily and temporarily suspend a student, pending the investigation, in order to protect the campus community or the student.

A record of disciplinary actions will be kept on file with the Program Director.

In a case where discipline is imposed, a student has the right to request that his/her case be reviewed through the STUDENT DISPUTE RESOLUTION PROCEDURE located in the Daemen College Student Handbook.

Policy Prohibiting Sexual Harassment and Other Unlawful Harassment
It is the policy of Daemen College not to discriminate on the basis of sex, including sexual harassment, in its educational programs, activities or employment policies as required by Title IX of the 1972 Education Amendments and other applicable antidiscrimination laws.

Sex discrimination in the form of harassment on the basis of sex includes unwelcome sexual advances, sexual violence, requests for sexual favors and other verbal or physical conduct of a similar nature when (1) submission to such conduct is either explicitly or implicitly a term or condition of an individual's education or employment, (2) submission to or rejection of such conduct by an individual is used as the basis for academic or employment decisions affecting the individual, or (3) such conduct has the purpose or effect of substantially interfering with an individual's performance or creating an intimidating, hostile, or offensive educational or working environment. Further, Daemen College will take all steps necessary to prevent such discrimination and effectively address incidents of unlawful harassment, including the imposition of appropriate sanctions.
Sexual harassment is illegal under both state and federal law. Inquiries regarding compliance with Title IX may be directed to the Title IX campus coordinator, the Associate Vice President for Academic Affairs, who is the College's Equal Opportunity and Affirmative Action Officer, at 716.839.8301 (campus extension 8301), Room 102, Duns Scotus Hall.

As examples, the following kinds of conduct, or others with a similar harassing effect, are absolutely prohibited if such conduct falls within the definition stated above:

- Abusing an employee or student through insulting or degrading sexual remarks, jokes, innuendoes, or other sexually oriented conduct (including, among other things, graphic or descriptive comments relating to an individual's body or physical appearance, sexually oriented teasing or pranks, improper suggestions, objects or pictures, or unwanted physical contact); or
- Threats, demands, or suggestions that a student's or employee's status depends in any way upon tolerating or accepting sexual advances or sexually oriented conduct; or
- Sexual violence, defined as physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent due to the victim's age, use of drugs or alcohol, or intellectual or other disability.

Any harassment of Daemen College employees, students, applicants, or third parties (such as participants in College-sponsored events) in violation of these rules is absolutely prohibited and will not be tolerated.

Conduct that occurs off campus, including that perpetrated by social networking or email, is also subject to investigation and an appropriate response under the Policy to the extent that such conduct contributes to a sexually hostile environment on campus.

Other Unlawful Harassment

Unlawful harassment is defined as verbal or physical conduct which denigrates or shows hostility or aversion to an individual because of his or her race, color, gender, sexual orientation, age, religion, national origin, marital status, veteran status, disability, genetic predisposition, carrier status, or status as a victim of domestic violence, or of his or her relatives, friends, or associates, and which:

1. Has the purpose or effect of creating an intimidating, hostile, or offensive working or educational environment; or
2. Has the purpose or effect of unreasonably interfering with an individual’s performance; or
3. Otherwise adversely affects an individual’s educational or employment opportunities.

As examples, the following kinds of conduct, or others with similar harassing effect, are absolutely prohibited if such conduct falls within the definition stated above:

- Abusing a student or employee through epithets, slurs, negative stereotyping, or threatening, intimidating or hostile acts (even if claimed to be “jokes” or “pranks”) which relate to race, color, gender, sexual orientation, age, religion, national origin, marital status, veteran status, disability, genetic predisposition, carrier status, or status as a victim of domestic violence; and
- Written or graphic material which denigrates or shows hostility or aversion toward an individual or group because of race, color, gender, sexual orientation, age, religion, national origin, marital status, veteran status, disability, genetic predisposition, carrier status, or status as a victim of domestic violence; and is displayed or circulated (including electronically) in the educational environment or workplace.

Any harassment of Daemen College employees, students or applicants in violation of these rules is absolutely prohibited and will not be tolerated. Interim protective measures may be made while a complaint is investigated. Both complainant and alleged offender shall be treated equitably throughout the investigation.

Retaliation

Retaliation against anyone for exercising one’s rights under this policy is also strictly prohibited and will not be tolerated. This includes retaliation for inquiring about one’s rights, or for making a good faith complaint of a violation or possible violation, or for truthfully assisting in a complaint investigation. Claims of retaliation should be reported to the Associate Vice President for Academic Affairs (DS 102, 716.839.8301), who is the College’s Equal Opportunity and Affirmative Action Officer and Title IX Coordinator.

No One Has Authority to Violate This Policy

Under no circumstance does any faculty member, administrator, trustee, other employee, or student of the College, or any other person, have any authority whatsoever to engage in discriminatory, harassing, or retaliating conduct in violation of this policy. If anyone claims to have such authority, or you have any questions about whether conduct that you find objectionable is authorized by the College, please contact the Associate Vice President for Academic Affairs, who is the College’s Equal Opportunity and Affirmative Action Officer and Title IX Coordinator.

Academic Freedom

As an institution of higher education, Daemen College, its employees and students also must be aware of the need for freedom of inquiry and openness of discussion in its educational and research programs, and must strive to create and maintain an atmosphere of intellectual seriousness and mutual tolerance in which these essential features of academic life can thrive. No college can or should guarantee that every idea expressed in its classrooms or laboratories will be
in offensive to all; pursued seriously, education and scholarship necessarily entail raising questions about received opinions and conventional interpretations. Daemen College does guarantee, however, that credible accusations of inappropriate remarks or conduct that may violate the College policy prohibiting discrimination and harassment will be investigated promptly, thoroughly, and fairly.

**Procedures for Reporting and Investigating**

You are encouraged to promptly report any conduct that you believe violates this policy. If the College does not know about the conduct, it cannot act. Complaints or inquiries should be made confidentially to the Associate Vice President for Academic Affairs, who is the College's Equal Opportunity and Affirmative Action Officer and Title IX Coordinator, or in the case of student-on-student conduct to the Vice President for Student Affairs and Dean of Students (Wick Center, 716.839.8519) for investigation and adjudication under the Student Conduct (Disciplinary) Procedures outlined in the Student Handbook. The Vice President for Student Affairs and Dean of Students will report any allegations of Title IX violation to the Associate VPAA/Title IX Coordinator. Alternatively, you may initially discuss the matter with any other employee of the College such as your Program Director, or involve any other person to help you in bringing your complaint forward, so long as your complaint is promptly brought to the attention of the Associate VPAA or Dean of Students, to ensure consistency and centralized decision-making in the application of this policy. Complaints may also be made anonymously through U.S. or campus mail to the Title IX Coordinator, Daemen College, 4380 Main St., Amherst, NY 14226.

Complaints will be handled pursuant to the Grievance Procedure in Discrimination and Harassment Case or Student Conduct (Disciplinary) Procedures as applicable. Ordinarily, the VP for Student Affairs and Dean of Students will investigate complaints of student-on-student harassment; the Associate VP for Academic Affairs, as EO/AA Officer, will investigate any complaints involving employees. Complainants will be encouraged to express their wishes for resolution of the matter. Complainants of sexual violence shall be entitled to necessary interim actions to protect them. When complainant and alleged violator are both members of the campus community, interim measures will be taken to insure safety and equity during the investigation. Both the complainant and the alleged perpetrator shall have equal opportunity to present relevant evidence and to appeal determinations as provided for in the above policies. Both the complainant and the alleged perpetrator will receive in writing the outcome of the investigation.

Complaints and inquiries will be kept confidential to the extent practicable, consistent with the need to conduct an adequate investigation. Reasonable steps will be taken to honor a complainant’s requests regarding confidentiality and/or pursuit of investigation, but such requests must also be evaluated in the context of the College’s responsibility to provide a safe and nondiscriminatory environment for all persons and/or to warn the College community of possible danger. The complainant will be informed if confidentiality cannot be ensured.

Any employee or student who is found to have violated this Policy will be subjected to appropriate disciplinary measures up to and including termination or expulsion.

Please do not allow conduct that may violate this Policy to continue unreported. It is extremely important that possible cases of discriminatory harassment be reported so that the College can act to stop such conduct at the earliest possible time.

**Grievance Procedure in Discrimination and Harassment Cases**

Grievances or complaints alleging a violation of the College’s nondiscrimination policy and policy prohibiting unlawful harassment should be submitted to the Associate Vice President for Academic Affairs/EOAA Officer and Title IX Coordinator, Room DS 102, 716.839.8301 (campus extension 8301). Grievance forms are available in the office of the EOAA Officer, but any form or format may be used provided it is identified as a grievance. A grievance should contain a statement of the facts identifying the violation and as much supporting documentation as possible. Upon request, assistance in preparing the grievance will be supplied by the EOAA Officer. Those filing a grievance should also express their view of a possible resolution to the problem. A grievance should be filed as soon as possible after the alleged discrimination has occurred (usually within 30 days). A delay in filing a grievance may impact the ability of the College to investigate and resolve the grievance.

**Grievance Processing**

**Step 1.**

The EOAA Officer will attempt to resolve the matter as simply and as quickly as possible by informally meeting with the relevant persons in an effort to reach an acceptable agreement. If the complaint involves an alleged sexual assault, the matter will be addressed at Step 2 below; no informal mediation will be undertaken.

**Step 2.**

Unless an acceptable resolution is reached in Step 1, the grievant may request that the matter be referred to the appropriate Cabinet member for a formal investigation. Such request may be made at any time, but not later than ten (10) days after notification that the Step 1 procedure is completed. Thereafter, the Cabinet member/Vice President or his/her designated representative (Grievance Officer) will conduct an investigation.
In the event of an emergency should arise on campus, the following procedures should be followed:

- **Important Information:** It is recommended that each member of the campus community familiarize him or herself with this information.

  The Grievance Officer shall render a written decision on the grievance applying a preponderance of the evidence standard. A copy of the decision will be provided to the grievant and accused party(ies). Either party may seek review by the College President of all or part of the Grievance Officer’s decision by filing an appeal with the Office of the President within 10 days after the decision is rendered. The President in conjunction with legal counsel for the College will review the decision to determine whether it is supported by substantial evidence and that the College’s procedures were substantially complied with. The President’s decision will be rendered within 30 days of filing the appeal. The President may affirm the decision, modify the decision, or return the matter for further investigation. Should the President be the accused party, the appeal will be made to the Executive Committee of the Board of Trustees, which will review and rule upon the Grievance Officer’s decision.

**EMERGENCY RESPONSE AND EVACUATION POLICY**

**Emergency Management Plan:**

This document outlines the College’s Lakewood, NJ Campuses’ General Emergency Procedures and Crisis Management procedures. It is recommended that each member of the campus community familiarize him or herself with this important information.

In the event an emergency should arise on campus, the following procedures should be followed:

- **Immediate Notification:** If it is of a serious nature that requires police, rescue squad and/or ambulance, dial 911 immediately.
- **Always call Security at 848-210-3157.** Apprise them of your precise location and the name of the individual(s) involved. Security will assist medical authorities in finding their way around the building. It is imperative that Security is alerted to any emergency.
- **If the emergency involves a student, Security will alert the local agencies for assistance.** Only essential information will be released. Confidentiality of health records is safeguarded at all times.
- **In our efforts to maintain confidentiality, please remove yourself from the immediate emergency area once assistance has arrived.** This will not only give better access to rescue personnel, it will help ensure that confidential information is not overheard beyond those individuals who need to know. Thank you for your compassion and cooperation.
- **You may be asked to complete an accident/incident report for Security. Your cooperation in giving an accurate and detailed account of the incident will be appreciated.**

**Emergency Evacuation Procedures:**

In the event of an incident presenting immediate or risk of immediate threat to human safety, an evacuation order should be given by any person in authority nearest the site of the incident. Emergency services should be called, as per the general emergency instructions above. Persons not “in authority” should also call for evacuation if common sense so dictates.

The designated exit for leaving the building in the case of an imminent emergency is the side exit, which is on the west side of the building and is adjacent to the parking lot which faces Oberlin Avenue. This is also the most logical place for a person who is handicapped to wait for assistance, since it is the exit closest to the classrooms and the entrance/exit is flush to the doorway and the sidewalk.

If indicated by the nature of the emergency, or at the direction of emergency/crisis management authorities, persons should assemble at the above mentioned point to ensure adequate distance from evacuated building and ability to ensure that evacuees are present and accounted for.

**Immediate Notification:**

If the Program Director determines that there is an emergency or dangerous situation that poses an immediate threat to the health or safety of some or all members of the Daemen community, they will use some or all of the systems described below to communicate the threat to the Daemen community or to the appropriate segment of the community, if the threat is limited to a particular building or segment of the population. The Program Director will, without delay and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the judgment of the first responders, compromise the efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency. An update to the initial immediate notification message will be provided via the same means used for the original notification. Both notifications may be made using the communication systems listed below.

In an effort to provide timely notice to the Daemen College community, and in the event of a serious incident which may pose an on-going threat to members of the Daemen College community, a Safety and Security Alert is sent to all students and employees on campus. The alerts are generally written and distributed to the Daemen College community by the Program Director by email. Other forms may include information posters in key campus locations. The Program Director,
or designee, in consultation with appropriate campus personnel, reviews all reports to determine if there is an ongoing threat to the community and if the distribution of a Safety and Security Alert is warranted.

Crisis Management Procedures:
In the event of a major emergency which physically, or emotionally, disrupts normal campus operations, the Program Director may direct that the campus operate in accordance with the following crisis management procedures. These procedures are designed to prioritize human safety, provide accurate and timely information to the campus community, and allow for sound decision-making in evolving circumstances.

Procedures for Students with a Disability or Special Needs:
If building evacuation is indicated due to an emergency, please follow these procedures in order of priority:

• If you are able to evacuate safely under your own power, do so. Remember that elevators must not be used in the event of fire alarm, unless use is specifically authorized by emergency personnel.
• OR, make your way to an area of refuge in the building and await assistance from emergency responders. Specific locations of areas of refuge for Bnos Bais Yaakov, 155 Oberlin Avenue N., Lakewood Township, are listed below.
• During an emergency, we ask that you confirm your location and need for assistance (or not) to Security if possible, as soon as possible. Your prompt notification of your whereabouts will help us to enhance your safety as well as ensure that first responders do not take unnecessary risks searching for individuals who are already safe and sound.

Areas of refuge in case of building evacuation: (for persons unable to self-evacuate)
The designated exit for leaving the building in the case of an imminent emergency is the side exit, which is on the west side of the building and is adjacent to the parking lot which faces Oberlin Avenue. This is also the most logical place for a person who is handicapped to wait for assistance, since it is the exit closest to the classrooms and the entrance/exit is flush to the doorway and the sidewalk.

Definition of a Crisis
A crisis includes, but is not limited to, events such as the following:

• An on-campus event posing immediate or potentially immediate risk to human safety, such as (i) fire, (ii) dispersion of hazardous substance (e.g., chemical, biological), (iii) explosion, (iv) bomb or similar threat, (v) human activity posing risk to safety (e.g., weapons involvement, hostage-taking), (vi) communicable disease epidemic.
• An on-campus event involving or posing the immediate risk of significant property damage.
• Loss of basic resources (e.g., power, water) of breadth or duration sufficient to imperil the well-being and safety of the campus community.
• An off-campus event posing significant risk or threat of risk to human safety or campus property, or otherwise causing grave human concern sufficient to disrupt normal operations (e.g., terrorist attack, declaration of disaster by civil authorities).

Campus emergencies such as, but not limited to, events may not ordinarily trigger declaration of a crisis:

o Events restricted to a specific location and capable of being brought under control without significant risk to human safety.
• Incidents, with or without injury, involving a small number of persons and susceptible to intervention and control by appropriate professionals (e.g., security staff, paramedics, firefighters, police).
• Power or water outages of limited duration and/or scope.

MISSING PERSON POLICY
Daemen College’s Lakewood, N.J. Campus does not offer resident housing, and therefore does not have a missing person policy.

ALCOHOL AND OTHER DRUG POLICIES
Daemen College allows students who comply with the New York State minimum drinking age of 21 years of age to consume alcohol as a privilege, but not as a right, and within specified guidelines and limitations, at certain College events, as determined by the Director of Student Activities. These events are generally limited to those where a significant number of students over the age of 21 are anticipated to attend.

Daemen College Drug and Alcohol Abuse Prevention Policy
Pursuant to the U.S. Department of Education Regulations implementing the Drug-Free Schools and Communities Act Amendments of 1989, Daemen College establishes the following policy and regulations:

- **Policy Statement:** Daemen College endeavors to establish for its students, faculty and staff an environment in which the misuse of alcohol and drugs is minimized, which encourages moderation, safety and personal accountability, and which provides an atmosphere free of coercion and peer pressure to abuse alcohol or use illegal drugs. The College strongly believes and encourages the use of treatment and educational programs as the most effective means to reduce and prevent substance abuse of any kind. All members of the Daemen community should exercise sound judgment and be mindful of their personal health, safety and well being, as well as that of their friends and guests, by observing all laws regulating drug and alcohol and the College rules expressed in this Policy and elsewhere in the Student Handbook.

- **Standards of Conduct:** The unlawful possession, use or distribution of alcohol and illegal drugs by students and employees on college property or while engaged in College activities off the College campus is prohibited. While the College permits the lawful use of alcohol by students and guests on campus in accordance with the College alcohol policy (see following section), any abuse of this privilege will be subject to College disciplinary action and/or appropriate criminal sanctions.

- **Legal Sanctions Alcohol:** Under New York State law it is illegal:
  - To provide alcohol to persons under the age of 21 or to persons who are visibly intoxicated. Providing alcohol to persons under the age of 21 is a Class A misdemeanor which is punishable by imprisonment for up to one year, a fine of not more than $1,000 and/or three years probation;
  - To misrepresent the age of a person under the age of 21 for the purpose of inducing a sale of alcohol. Those found guilty of violating this law shall be punished by a fine of not more than $200, or by imprisonment for not more than five days, or by both fine and imprisonment;
  - For a person under the age of 21 to possess alcohol with the intent to consume it. Those found guilty of violating this law shall be punished by a fine of not more than $50 and/or required to complete an alcohol awareness program and/or required to provide up to 30 hours of community service;
  - For any person under the age of 21 to present or offer any written evidence of age which is false, fraudulent or not actually his own, for the purpose of purchasing or attempting to purchase alcohol. Those found guilty of violating this law shall be punished by a fine of not more than $100, and/or required to complete an alcohol awareness program and/or required to provide up to 30 hours of community service. Additionally, if it is found that a New York State driver license was the written evidence of age used for the purpose of the purchase or attempted purchase, the person’s license to drive a motor vehicle may be suspended for 90 days. Lastly, alteration of the required forms of identification (driver license, passport or armed forces ID card) may constitute “possession of a forged instrument... with intent to defraud,” which is a Class D felony under New York State penal law.

- **Legal Consequences of Operating a Vehicle While Under the Influence of Alcohol or Drugs**
  - Operating a Motor Vehicle After Consuming Alcohol While Under Age 21. Any person under age 21 who operates a motor vehicle after having consumed alcohol, as determined by a blood-alcohol content of at least .02%, may be referred to the Department of Motor Vehicles for license suspension or revocation, and a $125 charge. V&T Law § 1192-a.
  - Driving While Ability Impaired (DWAI) (more than .05% but less than .08% Blood Alcohol Content (B.A.C.). First violation (Traffic Infraction): Mandatory $300-$500 fine; and/or imprisonment up to 15 days; mandatory 90 day license revocation. Subsequent violations increase the fine, possible imprisonment and length of revocation.
  - Driving While Intoxicated (DWI) (.08% B.A.C. or higher while impaired by the use of a drug). 1st Violation (Misdemeanor): Mandatory $500-$1,000 fine and/or one year imprisonment; Mandatory 6-month minimum license revocation. Two violations within ten years can result in jail for up to four years and a one year revocation of your license to drive. If there is personal injury a possible lifetime revocation can result.

If you are under the age of 21 and charged with DWAI, DWI, and you are convicted of such charges, your license
will be revoked for a minimum of one year. If you drive while your license is suspended or revoked, or if you refuse a chemical test, you face a mandatory jail term of 7-180 days and a mandatory fine of $500-$1,000.

Drugs:
There are several New Jersey State and Federal laws prohibiting the use and/or sale of controlled substances (drugs such as marijuana, heroin, cocaine, PCP, LSD, methamphetamine and fentanyl). A conviction can result in a substantial fine and/or a lengthy imprisonment. Remember that the conviction of a crime will remain on your record and can impact your ability to find suitable employment, get a professional license and impair your ability to travel.

Daemen College Sanctions
Members of the College community who violate this policy will be subject to discipline. Taking into account the circumstances of each case, sanctions for students may range from warnings to expulsion from the College, and sanctions for faculty and staff members may range from warnings to termination. At the discretion of the College, as an alternative to, or in addition to any disciplinary action taken, students or employees may be required to participate in and to complete satisfactorily an appropriate counseling or rehabilitation program. Records of such discipline may be maintained in a student’s record or an employee’s personnel file. Enforcement of these sanctions will be through the College’s existing disciplinary procedures for students, faculty, and staff, as appropriate.

Health Risks
Abusing drugs and/or alcohol among other things can make you sick, lower your job performance, put you in prison, cause dependency, be expensive and cost you your life.

Alcohol use will dull your senses, impair coordination, slurry your speech, cause mood changes, depress brain functions, lead to irreversible brain damage, damage liver, heart, and pancreas, irritate your stomach, and possibly cause physical damage to your unborn baby.

Drug use may increase your heart rate and blood pressure, cause tremors and convulsions, produce heart, liver, and kidney damage, cause personality changes, confusion, and depression, lead to paranoia and hallucinations, injure your unborn baby, and lower your resistance to disease—including STDs and AIDS!

CRIME STATISTICS
In accordance with the Clery Act, a copy of the Crime Statistics Report is available to all members of the campus community. A copy of the report may be reviewed on page 16 of this document. The procedures for preparing the annual disclosure of crime statistics include reporting statistics to the Daemen College community obtained from the following sources: Daemen College Lakewood, NJ Campus Program Director, and local police municipalities. For statistical purposes, crime statistics reported to any of these sources are recorded in the calendar year the crime was reported. All statistics are gathered, compiled, and reported to the Daemen College community via this report, entitled “Annual Security and Fire Safety Report” which is published by Daemen College. Daemen College submits the annual crime statistics published in this brochure to the Department of Education (ED). The statistical information gathered by the Department of Education is available to the public through the ED website. Daemen College sends an e-mail to every enrolled student and current employee on an annual basis. The e-mail includes a brief summary of the contents of this report. The e-mail also includes the address for the Daemen College website where the "Annual Security and Fire Safety Report" can be found online [http://www.daemen.edu/security] and a physical copy may be obtained by making a request to the Daemen College Office of Student Affairs located in the Wick Center (716-839-8519).
