Here's how it works

If you are a Current Wegmans Pharmacy Customer:

Call Wegmans Free Home Delivery at **800-586-6910** and ask to transfer prescriptions for you and any eligible family members from your local Wegmans Pharmacy to Wegmans Free Home Delivery. If you have been receiving a 30-day supply and you will save money by filling for 90 days, leave it to your Wegmans representative to contact your doctor(s) for new prescriptions. It's that simple.

New to Wegmans Pharmacy?

1. Make the switch: If you currently receive your prescriptions from another pharmacy, transferring to Wegmans Free Home Delivery is easy. Just tell us you want to switch and we'll take care of the rest.
2. Call Wegmans Free Home Delivery at **800-586-6910** to create a New Account for yourself and any eligible family members. Once enrolled, we will contact your doctor(s) for new prescriptions. **Tip: Use the Prescription Detail Form on the back to help you collect this information and have on hand when you call.**
