

2022-23 Daemen College Summary of Employee Benefits

HEALTH INSURANCE

Daemen College offers employees health insurance through either Univera Signature CoPay 1 or the Univera Signature Deductible 3. Employee share of premium is calculated annually and open enrollment takes place in April with changes effective June 1st. Dependent children may be covered until age 26 regardless of full time student status. Domestic partners are covered. The Plan requires all covered employees to select a participating primary care physician for each family member enrolled.

The employee share of the premium is deducted from the bi-weekly paycheck, the first two paychecks of every month. If there are 3 pay periods in a month, the 3rd pay day will not include deductions for medical benefits. If an employee receives a salary increase during the plan year which results in them moving to a new tier, their contribution rate will be adjusted accordingly.

Daemen participates in the Healthy U Program through Univera. This is a Wellness Program in which participants receive biometric health screenings and lifestyle recommendations. In addition, the Plan provides a \$250.00 wellness card to be used during the Plan year to purchase vitamins and supplements from a participating health food store; as credit towards gym membership, chiropractic co-pays or massages.
