

YOUR BENEFITS GUIDE 2024 – 2025 PLAN YEAR

DAEMEN
— UNIVERSITY —

Benefits Basics

ELIGIBILITY

As a full-time Daemen employee, you are eligible for benefits. Benefits are effective on the first day of the month following your date of hire for staff and admin, and effective the *date* of hire for faculty. You may enroll your eligible dependents for coverage once you are eligible. Your eligible dependents include your legal spouse, domestic partner, and / or your children up to age 26.

Once your benefit elections become effective, they remain in effect until the end of the benefit year. You may only change coverage within 30 days of a qualified life event or during Open Enrollment in the spring.

QUALIFYING LIFE EVENTS

Generally, you may change your benefit elections only during the annual enrollment period. However, you may change your benefit elections during the year if you experience a qualified life event, including:

- Marriage
- Divorce or legal separation
- Birth of your child
- Death of your spouse or dependent child
- Adoption of or placement for adoption of your child
- Change in employment status of employee, spouse or dependent child
- Qualification by the Plan Administrator of a child support order for medical coverage
- Entitlement to Medicare or Medicaid

You must notify Employee Engagement within 30 days of the qualified life event.

Depending on the type of event, you may be asked to provide proof of the event. If you do not contact HR within 30 days of the qualified event, you will have to wait until the next annual enrollment period to make changes (unless you experience another qualified life event).

Medical Coverage

Daemen promotes good health!

Daemen offers medical coverage for employees, spouse and children, including coverage for prescription drugs and free preventive care services. Please remember to get your free annual wellness exam every year.

MEDICAL COVERAGE

Daemen University offers employees health insurance through either **Univera Signature CoPay 1** or the **Univera Signature Deductible 3**. Employee share of premium is calculated annually and open enrollment takes place in April with changes effective June 1st. Dependent children may be covered until age 26 regardless of full time student status. Domestic partners are covered. The Plan requires all covered employees to select a participating primary care physician for each family member enrolled.

PREMIUMS

The employee share of the premium is deducted from the bi-weekly paycheck, the first two paychecks of every month. If there are 3 pay periods in a month, the 3rd pay day will not include deductions for medical benefits. If an employee receives a salary increase during the plan year which results in them moving to a new tier, their contribution rate will be adjusted accordingly.

DEDUCTIBLE

You must meet an annual deductible before the medical plan begins to cover a portion of your costs with the exception of copay services. Once the deductible is met, the medical plan begins to pay for a percentage of covered expenses (this is called coinsurance).

OUT-OF-POCKET MAXIMUMS

Out-of-pocket maximums apply in-network and out-of-network. This is the maximum amount you will pay for health care costs in a calendar year. Once you have reached the out-of-pocket maximum, the plan will fully cover eligible medical expenses for the rest of the benefits plan year. If you see an out-of-network provider, you may be responsible for out-of-pocket costs that are considered above the “reasonable and customary” fees.

WELLNESS YOUR WAY

The Daemen medical plans provide a \$250.00 wellness card to be used during the Plan year to purchase vitamins and supplements from a participating health food store; as credit towards gym membership, chiropractic co-pays or massages. You can register and claim the rewards in one of two ways. Online, log into your Univera account, and go to Health and Wellness > Rewards & Incentives > Wellness Your Way. Or, call 1-800-327-7130, and use option 1 for Member.

Flexible Spending Accounts

The Daemen Flexible Spending Account is administered by ProFlex. FSAs are available to enrollees of the Univera Signature CoPay 1 Plan. Flexible spending accounts allow covered employees to pay for certain premiums, medical and dependent care expenses on a pre-tax basis. Paying for these expenses with pre-tax dollars saves money by lowering taxable income. Please be aware that Social Security benefits may be reduced in the future when funding a Flexible Spending Account. A tax advisor can assist with determining how the tax savings will compare to possible reductions in future benefits. The minimum contribution to enroll in the flexible benefit plans is \$400 and the plan year runs June 1st – May 31st. The medical expenses account allows for \$500 to be rolled over without forfeitures. Maximum contributions, covered expenses and dependent eligibility and forfeiture rules are governed by IRS regulations. Newly hired eligible employees may enroll within thirty days of their hire date and must re-enroll annually thereafter.

Example of How to Save on Your Taxes with an FSA

The chart below is an example of how much you can save when you use the FSAs to pay for your predictable health care and dependent care expenses throughout the year.

The Teachers Insurance and Annuity Association (TIAA) administers this plan.
