Overview

Institutional Characteristics Overview

Welcome to the Institutional Characteristics (IC) survey component. This component collects important information about your institution's student services and student charges. Answer questions about services and costs for the 2023-24 academic year unless instructed to report for a different period.

Much of the data reported on IC appear on College Navigator, which is updated once after IC data have been reviewed. Thus, errors may stay on College Navigator for a full year.

Additionally, the cost of attendance data are used to calculate the net price of attendance in the Student Financial Aid component. This has important implications for what students see about your institution, and also for the College Affordability and Transparency Center's lists. **Revisions or changes to costs can ONLY be made in the Student Financial Aid component and not in the prior year revision system.**

Remember, it is the responsibility of the keyholder to submit accurate data about the institution. Please contact the IPEDS Help Desk for clarifications to make sure that you are reporting correctly.

Data Reporting Reminder:

- Report data to accurately reflect the time period corresponding with the IPEDS survey component, even if such reporting is seemingly inconsistent with prior-year reporting.

Changes in reporting:

The following changes were made for the 2023-24 collection:

- Removed temporary guidance in response to Coronavirus Pandemic
- Rephrased "room and board" terminology in survey materials to "food and housing," including Glossary terms
- Rephrased "remedial education" terminology in survey materials to "developmental education," including Glossary terms
- Removed parenthetical references to "4 weeks" and/or "4.33 weeks" for text to read "1 month"
- Added FAQ regarding including incarcerated students in reporting
- Updated FAQ regarding experimental site participants
- Added FAQ #4 and #5 regarding the expenses included in cost of attendance section
- Removed the dual enrollment option for Part B, Question 1

Common Errors

Quality control reviews of past IC data indicate frequently made errors. Please review the common errors below to ensure accurate reporting.

- Part C, question 8 should only be marked 'YES' if your institution is **EXCLUSIVELY** distance education. Do not mark 'YES' if your courses/programs are also available in person.
- Do not try to outsmart fatal errors; this is falsifying data. Contact the Help Desk to override, or fix, the data.
- Make sure you understand ALL definitions before responding to questions. For example, make sure that you are reporting for an 'ACADEMIC YEAR' or 'PROGRAM' as defined by IPEDS.
