Daemen University
Students, Faculty, and Staff

Dear Students, Faculty, and Staff,

I hope you are well and having an enjoyable summer. I am writing with an update.

I am pleased to announce the appointment of Dr. Carol Bartlo as our new Faculty Athletics Representative. She will represent Daemen and its faculty in relationships with the Division of Athletics, the NCAA, and the East Coast Conference. She will also support programs for student-athletes to ensure their athletic and academic success. Her appointment begins August 1, 2024. Please join me in congratulating Carol (cbartlo@daemen.edu).

I would also like to thank Dr. Kevin Telford, who has served as the Faculty Athletics Representative since 2017. His steadfast support of our student-athletes and collaboration with Daemen colleagues, the NCAA, and the East Coast Conference has greatly enhanced our athletics program. Please join me in thanking Kevin (ktelford@daemen.edu) for his service to Daemen and our students.

Just a reminder that Daemen will be closed beginning on Thursday, July 4 and will reopen Monday, July 8, 2024. Essential personnel are directed to check with your supervisor for instructions.

We hope you have an enjoyable holiday weekend with friends and family.

Cordially,

Gary A. Olson
President
