Your 2025–2026 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. Federal law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

C. Independent Student's Income Information to Be Verified

1. <u>TAX RETURN FILERS</u>—Important Note: If you (or your spouse, if married) filed, or will file, an <u>amended</u> 2023 IRS tax return, you must contact the Financial Aid Office before completing this section.

Instructions: Complete this section if the student <u>filed or will file</u> a 2023 income tax return with the IRS. As part of federal student aid eligibility, students are required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In most cases, no further documentation is needed to verify 2023 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS.

If 2023 income tax return information for the student (and/or spouse) was not available or could not be used, the student (and/or spouse) must provide the institution with a 2023 IRS Tax Return Transcript(s) or a <u>freshly signed</u> copy of the 2023 federal income tax return and applicable schedules. To obtain an IRS tax return transcript, go to <u>www.IRS.gov</u> and click on the "Get Your Tax Record" link, or call 1-800-908-9946. Make sure to request the "IRS tax return transcript" and **NOT** the "IRS tax account transcript." You will need your Social Security Number, date of birth, and the address on file with the IRS (normally this will be the address used when the 2023 IRS tax return was filed).

The student provided consent and approval to share and import income and tax information from the IRS to the FAFSA form. Additional income and tax information for the student is not required.

The student income and tax information did not fully transmit from the IRS to the FAFSA form. Additional income and tax information for the student (and/or spouse) is required.

Check here if the student's 2023 IRS tax return transcript or <u>freshly signed</u> 2023 federal tax return will be submitted to the institution later. Verification cannot be completed until the IRS tax return transcript or tax return has been submitted to Daemen.

If you choose to download your IRS tax return transcript as a PDF, you can upload the PDF file at <u>daemen.edu/finaidupload</u> **Signed copies of 2023 federal tax returns must be either mailed or delivered in person to the Financial Aid Office. Uploaded and scanned copies <u>will not</u> be accepted.**
