June 25, 2020

Dear Daemen Faculty, Staff, and Students:

A new travel advisory was announced yesterday (June 24th) by New York Gov. Andrew Cuomo, New Jersey Gov. Phil Murphy, and Connecticut Gov. Ned Lamont. **Individuals traveling to New York, New Jersey, and Connecticut from states with significant community spread of COVID-19 will be required to quarantine for a 14-day period from the time of last contact within the identified state.**

The travel advisory, which is effective at midnight tonight, pertains to any person arriving from a state with a positive test rate higher than 10 per 100,000 residents or a 10 percent or higher positivity rate based on a seven-day rolling average. As of today, these states include **Alabama, Arkansas, Arizona, Florida, North Carolina, South Carolina, Washington, Utah, and Texas.** [Click here for more information about today's announcement.](#)

If you have recently traveled from one of the states listed above, it is recommended that you monitor your symptoms and contact your medical provider if you have concerns. **As a reminder, only visitors who have cleared a screening process are permitted to come on campus. Employees and students in Waves 1 and 2 should continue completing required screenings.**

There is a fair amount of "honor system" applied in any screening system so it is critical that individuals are honest with the CHIP Center and in using the self-screening tool we have implemented for those back on campus. It is designed for the protection of the entire campus community and failure to abide by that could result in affecting the health and well-being of community members and possible administrative sanctions by the College.

To receive the fastest response to your COVID-19 related questions from 8:30 a.m. to 4:30 p.m. Monday through Friday:
