Dear Colleagues,

I am writing with some exciting news. I am pleased to announce that after a national search, Daemen College has appointed Mary Glenn, an accomplished fundraising professional with more than 20 years of experience in higher education, as vice president for institutional advancement. Her appointment is effective June 24. In this role, she will oversee the areas of fundraising, alumni relations, publications, and marketing and communications.

Ms. Glenn comes to Daemen from the University at Buffalo, where she served as Senior Director of Development for Health Sciences. She led the major gifts programs and supervised the advancement team for the Schools of Nursing, Social Work and Public Health and Health Professions. She has spent over 20 years aiding the advancement efforts of the University at Buffalo, serving in a variety of capacities within the Division of University Advancement.

Active in the community, Glenn is a member of the Council for Advancement of Education (CASE) and is a past member of the Buffalo Physician Editorial Board. She received both her bachelor's degree in recreational therapy and gerontology as well as her master's degree in health education from SUNY Cortland. She is also a graduate of Leadership Niagara.

Please help me welcome Mary to the Daemen family: [glennclaire2@gmail.com](mailto:glennclaire2@gmail.com)
